Wine becomes the property of purchaser at time of payment. Full payment for wine and shipping is required with order; payment will be processed when the order is received and entered, not at time of shipping. To purchase and accept the delivery of wine you must be at least 21 years of age. Address corrections, returns, re-routes or re-ships are the financial responsibility of the customer. If the customer cannot take delivery of this order by May 2008 a storage fee of \$20/box per month will apply. Shipping cost subject to change, depending on fuel surcharge at time of shipment. Multiple boxes may get separated en route and arrive a day or two apart.
